

HOTEL LA BELLE ETOILE INFORMATION COVIDE 19

- All common areas of HOTEL LA BELLE ETOILE will be provided with gel and / or wipes in accordance with COVID-19 law.
- All files (bar, restaurant, check-in and check-out) will be adjusted to take into account the safety distance according to Covid-19 regulations.
- At the restaurant, the tables will be spaced according to COVID-19 safety rules (1 meter between one table and another, tables of 10 people maximum).

The tables will be distributed by room or by group and their composition must remain unchanged for the duration of the stay. It is mandatory to use masks to enter, exit or turn around in the restaurant.

We will keep the buffet breakfast but all drinks and certain food for reasons of health security will be served by the staff of the dining room.

- We will have a maximum number of people for the use of the swimming pool and if necessary for all the services for which this will be necessary.
- Masks must be used for all movements in the public areas of the hotel, terrace and ski room included.
- The common areas will be regularly sanitized according to Covid-19 regulations.

Our guests can enjoy table tennis and billiards.

Rackets, balls, billiard cues and chalk will always be kept at the reception and will be properly disinfected after each use.
